

# FRIENDS OF THE SANTA FE CONCORSO

Concorso has been so much part of our year—and life—for the last four years. As I have said so often before, you have a wonderful, stand-alone event. We are just proud to have been a small part of helping to make it so. All the lovely food (provided by great chefs), smiles and laughs. I never realised there were such shopping possibilities in Santa Fe—just concentrated on cars.

*Lady Susie Moss—London, England*

Congratulations on a great event, beautiful venue, well organized with a very friendly staff. I am recommending this event to everyone I know. There was just a happy vibe to the whole experience.

*Hal Sweeney—Manhattan Beach, California*

Thank you for the wonderful event this past weekend. You guys did a wonderful job. This was definitely one of the better concours events that we have attended. We look forward to joining you next year.

*Carlos Barela—Scottsdale, Arizona*

Just a quick thanks to all of you once again for a great Concorso weekend. Please pass my thanks to all the volunteers for their efforts. As always, I greatly enjoyed everything and am already anxious for next year.

*Dr. John Tolle—Columbus, Ohio*

It was a delightful weekend. Thank you for all your hard work. It's obvious there are an awful lot of moving parts to keep up with. Kudos!

*Wes Stewart—Royse City, Texas*

I want to thank you for allowing me to be a part of your truly amazing event. My wife and I thoroughly enjoyed the Friday Night Gathering at the airport, as well as the Indy racers' presentation. I had opportunity to have some interesting conversations with both Al Unser and Parnelli Jones, not often do you get to tell racing stories with that caliber of driver. The quality of the event on Sunday was also memorable, with some amazing machines in attendance.

*Erich Brock—Eldorado, New Mexico*

On behalf of Margaret (104-year-old entrant), Dan and myself, we would like to say meeting you and your crew was a joy. You were so thoughtful in making Margaret feel so special especially with her Packard picture on the tent and the beautiful glass trophy she received (the 2015 FIVA Award). She was so overjoyed and talked the whole way home about how beautiful and well-organized the Concorso was. We will sing your praises on what a wonderful show you put on and how nice everyone is in Santa Fe.

*JoAnne and Dan Clements and Margaret Dunning—New Hudson, Michigan*
